Update from the Data Protection Task Force

Jochem de Ruig

RIPE NCC

Update from the RIPE NCC – General

- ## Set up a Legal framework

  Define necessary actions and framework to comply with DP legislation

- ## Terms and Conditions

  Mainly DB TCs but also general TCs etc.

- ## Policies

  All policies need to be aligned and new policies developed to meet DP law

- ## Bulk Access

  Evaluate, develop and mitigate alignment of bulk access with DP law

- ## Implementation
